Dear Supervisors:

**STREET LIGHTING DISTRICTS
ANNEXATION AND LEVYING OF ASSESSMENTS FOR
COUNTY LIGHTING MAINTENANCE DISTRICT 1687 AND
COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE,
AND NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES
PETITION NO. 143-1204 (HAYLAND STREET), VALINDA AREA
SUPERVISORIAL DISTRICT 1
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the enclosed Engineer's Report for Petition 143-1204, either as filed or as modified, regarding annexation of territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and levying of assessments within the annexed territory for street lighting purposes.
2. Adopt the enclosed Resolution of Intention to Annex Territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and to Order the Levying of Assessments within the Annexed Territory for Fiscal Year 2007-08. A copy of the diagram showing the proposed annexation territory is enclosed.
3. Set a date for a public hearing regarding the proposed annexation and levying of annual assessments within the annexed territory for street lighting purposes, with a base-assessment rate of \$5 for a single-family residence within County Lighting District LLA-1, Unincorporated Zone, for Fiscal Year 2007-08.

4. Instruct the Executive Officer of your Board to cause notice of the public hearing by mail at least 45 days prior to the date of hearing scheduled for _____. The mailed notice will include assessment ballots.
5. Instruct the Executive Officer of the Board to cause notice of the public hearing to be posted in three conspicuous places within the territory to be annexed and to publish the notice of public hearing once a week for two successive weeks in a newspaper of general circulation. Such posting and publication to be completed at least 10 days prior to the date of hearing, pursuant to Section 5838 of the California Streets and Highways Code.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Order changes, if needed, in any of the matters provided in the Engineer's Report, including changes in the improvements, the proposed diagrams, or the proposed assessments.
2. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or opposition to the proposed assessment.
3. Determine whether a majority protest against the proposed annexation or assessments exists.
4. Adopt the enclosed Resolution Ordering Annexation of Territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, Confirming a Diagram and Assessment, and Levying of Assessments within the annexed territory for Fiscal Year 2007-08, either as proposed or as modified by your Board, and the enclosed Joint Resolution Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from Annexation of Petition No. 143-1204 to County Lighting Maintenance District 1687. If there is no majority protest against the proposed annexation or assessments, the adoption of the Resolution Ordering Annexation will constitute the levying of assessments in Fiscal Year 2007-08.
5. Find that the annexation and assessments are for the purpose of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the installation, operation, and maintenance of street lights necessary to maintain service within the areas proposed for annexation, and exempt from the requirements under the California Environmental Quality Act (CEQA).

6. Adopt the enclosed Joint Resolution between your Board and other taxing agencies, Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from the annexation of territory to County Lighting Maintenance District 1687, as approved by the nonexempt taxing agencies.
7. Make a finding terminating the annexation, levying of assessments, and property tax transfer proceedings in this petition area where the proposed annexation and levying of assessments has been rejected as a result of a majority protest, and refer the matter back to Public Works.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

These recommended actions are for your Board to annex the territory known as Petition No. 143-1204 to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, to levy assessments for Fiscal Year 2007-08 on the benefitted properties within the annexed territory for street lighting purposes; and to improve the exchange of property tax revenues among those nonexempt agencies whose service area is subject to the jurisdictional change.

Your Board previously approved and filed Petition No. 143-1204 and adopted a Resolution Initiating Proceedings to annex the territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and ordered Public Works to prepare and file an Engineer's Report for the Petition area.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility, as the annexation, levying of assessments, and property tax transfers provide the funding necessary for the operation and maintenance of new street lighting facilities within this annexed territory.

FISCAL IMPACT/FINANCING

There is no fiscal impact to the County General Fund. Sufficient funds are included in the Fiscal Year 2007-08 budget for County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, to fund the annual costs for the operation and maintenance of the street lights within this petitioned area, should operation and maintenance charges be incurred prior to the end of Fiscal Year 2007-08. In future years, the ongoing operation and maintenance costs of the street lights within this annexed territory will be funded by a portion of the Lighting District's share of

ad valorem property taxes collected from property owners within this annexed territory, supplemented by assessments annually approved by your Board. The proposed annexations will result in a minimal property tax growth transfer from the affected taxing entities including the County General fund, County Library, Road District No. 1, County Fire Department, and the Los Angeles County Flood Control District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Puente Hills Community Enhancement and Benefit Fund will fund the estimated \$40,000 cost for the installation of eight street lights on concrete poles and overhead wiring for Petition No. 143-1204.

Under Government Code Section 53753, it is necessary to follow the procedures for levying of assessments previously authorized by your Board, including the sending receipt, and tabulation of ballots at the public hearing. The assessment will only be levied if the weighted majority of ballots returned are in favor of the assessment.

The enclosed Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding the annexations and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation or assessment.

Section 99.01 of the Revenue and Taxation Code provides that affected agencies must approve and accept the exchange of property tax revenues by Resolution. For those agencies under the Board's jurisdiction, the Board can act on their behalf. For those agencies with their own governing boards who fail to adopt a Resolution providing for the exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency.

The boundaries of the proposed annexations have been reviewed and approved by Public Works and the County Assessor in accordance with the requirements of Section 58850 et seq. of the Government Code and are on file with Public Works. A copy of the diagram showing the boundaries of the proposed annexation area is attached to the enclosed Engineer's Report prepared for this petitioned area.

Following your Board's approval of the Resolution for the annexations, levying of assessments, and exchange of property tax revenues, Public Works will file with the State Board of Equalization the statement of boundary changes as required by Section 54990 et seq. of the Government Code.

CONCLUSION

At such time as these recommendations may be adopted, please return one adopted copy of this letter and the signed Resolution to Public Works. **COUNTY OF LOS ANGELES
DEPARTMENT OF PUBLIC WORKS
ENGINEER'S REPORT
PETITION NO. 143-1204**

The Los Angeles County Board of Supervisors previously adopted a Resolution Initiating Proceedings for the annexation of territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, pursuant to the California Streets and Highways Code, Landscaping and Lighting Act of 1972, for the purpose of providing for the cost of installing, operating, and maintaining eight street lights within the annexed territory, as shown on the diagram, plans and specifications attached hereto. In addition, Public Works was ordered to prepare and file an Engineer's Report in accordance with Section 22565 et seq. of the Streets and Highways Code and Article XIID, Section 4(b), of the California Constitution. This Report was prepared in response to that directive.

The Puente Hills Community Enhancement and Benefit Fund will finance the estimated \$40,000 costs for the installation of eight street lights on concrete poles and overhead wiring within Petition No. 143-1204. The annual operating cost of \$932 for the eight-9500 lumen high pressure sodium vapor street lights will be funded by County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone. An annual operation and maintenance assessment of \$5 per parcel for a single-family home, with proportionately higher assessments for other land uses, based on the approved Fiscal Year 2006-07 Annual Engineer's Report for County Lighting District LLA-1, Unincorporated Zone, is proposed to be added to the Fiscal Year 2007-08 tax bill of property owners whose parcels lie within Petition No. 143-1204. Each year thereafter, an annual assessment for the operation and maintenance costs of the street lights, approved by the Board of Supervisors, will be added to the property tax bill.

With the passage of Proposition 218 by the California voters in November 1996, the levying of an assessment is now subject to certain provisions under Article XIID of the California Constitution. This Report conforms with the applicable provisions of Proposition 218.

County Lighting Maintenance District 1687 is an established Street Lighting District and was fully funded from ad valorem property taxes prior to the passage of State Constitutional Amendment XIII-A, which limited the maximum amount of ad valorem tax on real property. The ad valorem property taxes received under the guidelines established by the State Legislature subsequent to the passage of this amendment

were not sufficient to pay the cost of street lighting in the District. Therefore, County Lighting District LLA-1 was formed under the Landscaping and Lighting Act of 1972 to provide supplemental funding.

The Landscaping and Lighting Act of 1972 provides for the assessment of street lighting costs against the benefitted property within the lighting district in proportion to the benefits received. A method of distributing the street lighting costs on the basis of land use and land-use data compiled by the County Assessor was approved by the Board of Supervisors on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. This report showing the approved method and the assessment units to be assessed on the various types of lots and parcels based on land usage is on file in the office of the Board of Supervisors and is made a part hereof by reference. The Fiscal Year 2006-07 Annual Engineer's Report, which lists the base-rate assessment for all zones within County Lighting District LLA-1 and the total assessment amount to be collected from benefitted parcels in each zone based on land use, is on file in the office of the Board of Supervisors and is made a part hereof by reference.

The parcels of real properties affected are shown in Appendix A. The parcels are more particularly described in a map prepared in accordance with Section 327 of the Revenue and Taxation Code, which is on file in the office of the County Assessor and is made a part hereof by reference.

We believe that it would be in the public interest to install eight street lights on concrete poles in the designated area, as requested by the signers of Petition No. 143-1204, and to provide for their operation and maintenance.

The public interest and convenience require, and that it is the intention of the Board of Supervisors to order, the expense necessary for the operation, maintenance, repairs, replacement, electric current, care, supervision, and all other items necessary for the proper operation and maintenance of a street lighting system proposed within the annexed territory shall be assessed in Fiscal Year 2007-08 upon the lot or parcel of land lying within the annexed territory in proportion to the estimated benefit received from the proposed street lighting improvements, and which should be assessed to pay the expenses of the operation and maintenance of said improvements.

An Annual Engineer's Report, approved by your Board each fiscal year, establishes the annual base-rate assessment for all zones within County Lighting District LLA-1. For Fiscal Year 2007-08, the proposed annual base-rate assessment for the Unincorporated Zone is \$5 for a single-family residence, with proportionately higher assessment rates for other land uses. **NOTICE OF PUBLIC HEARING
OF THE BOARD OF SUPERVISORS
TO CONSIDER ANNEXATION OF TERRITORY TO
COUNTY LIGHTING MAINTENANCE DISTRICT 1687
AND COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE
AND LEVYING OF ANNUAL ASSESSMENTS
PETITION NO. 143-1204**

Notice is hereby given that a public hearing will be held by the Board of Supervisors to consider the annexation of territory known as Petition No. 143-1204 to County Lighting Maintenance District 1687 and County Lighting District LLA-1 (Lighting Districts), Unincorporated Zone, and levying of annual assessments commencing in Fiscal Year 2007-08. Said hearing will be held on Tuesday, _____, at 9:30 a.m., in the Hearing Room of the Board of Supervisors, Room 383B, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

This territory, whose street location is described below , is proposed for annexation to the Lighting Districts for the installation of street lights and for the collection of assessment revenues to pay for their installation, operation and maintenance.

- Petition No. 143-1204: Hayland Avenue between Greycliff Avenue and Echelon Avenue in the Valinda area (T.G. 638 F5). Eight street lights on concrete poles with overhead wiring are proposed to be installed.

The Puente Hills Community Enhancement and Benefit Fund will fund the estimated \$40,000 cost for the installation of eight street lights on concrete poles with overhead wiring. An annual operation and maintenance assessment in the amount of \$5 for a single-family home will be levied against the 30 benefitted parcels located within the Petition area, and identified by assessor parcel number in the Engineer's Report on file with the Executive Office.

The levying of a new assessment is now subject to property owner approval with the passage of Proposition 218 (approved by California voters in November 1996) which provides for property owners to determine by ballot whether or not they approve of the proposed assessment for this purpose. As required under Proposition 218, assessment ballots will be mailed to all property owners of parcels within the territory proposed for annexation at least 45 days in advance of the public hearing. All assessment ballots must be received by the County before the conclusion of the public hearing. Ballots will be tabulated at the conclusion of the public hearing. The assessment will not be levied and the territory will not be annexed if the weighted majority of the returned ballots submitted are opposed to the increase. The ballots are weighted according to the amount of the street lighting assessment paid by each property owner.

In addition to returning the assessment ballots, property owners may file with the Executive Officer of the Board of Supervisors a written protest against the proposed annexations at anytime prior to the conclusion of the public hearing. The written protest must identify the property owned and must state all grounds for objection. The protest may be withdrawn in writing prior to the conclusion of the public hearing. A majority protest will cause abandonment of the proposed annexation. If you wish to file a written protest, you may address it in writing to:

Board of Supervisors of the
